'But Mary treasured up all these things and pondered them in her heart.' – Luke 2:19

Life is not measured by time. Life is measured by moments.

- You have no idea what God can do through one moment of obedience.
- Surrender isn't a moment in time; it is moments all the time.
- You never know how God might use one moment of boldness to change someone's life.

Sometimes you do not know the _____ of a moment until it becomes a _____.

What did Mary ponder?

- God's promises from the _____.
- God's peace in the _____.
- God's power in the _____.

Sometimes you do not know the _____ of a moment until it becomes a _____.

Reflect on these questions this week:

- What is a favorite memory you have?
- What is a moment you can look back at now and see how God had a hand in it?
- How can you slow down during the Christmas season and appreciate how God has kept His promises in the past, given you peace in the present and given you the ability to trust his power in the future?
