

TEACHING ACTIVITIES

This document is designed as an instructor-resource guide to teach students about the Dual Enrollment process and acquaint them with the Dual Enrollment Success Camp webpage at: <https://tinyurl.com/DEsuccesscamp> The following are interactive activities to assign to your class. Modules and activities may be assigned out of sequence; choose your own unique pedagogical preference.

How to Get Help

Before jumping into the modules of the page, first emphasize how students may get immediate help with any of their Dual Enrollment questions or needs and at any point in their Dual Enrollment experience. Acquaint students with these important links:

- [Get Help](#)
- [Frequently Asked Questions](#)
- [Ask For Help \(1:25\)](#)

Modules 1- 8: Steps for Success

Module 1: What Is Dual Enrollment?

- Have your students describe in their own words what they think Dual Enrollment is after viewing the video.
- Locate the Dual Enrollment success camp page on the ECC website.

Module 2 First Step: Contact Your Counselor

- Have the students identify their ECC Dual Enrollment counselor and send them an email.
