Directions for Student Applicants

Dear Student:

Applicants should fill out all necessary documents, collect all necessary materials, organize them in order of the checklist found on the second page of the application, and **email ALL pages of the scholarship application and required information to the State Chairman as written on the checklist page of the scholarship application.**

You may apply for more than one scholarship; however, you are only eligible to receive one. You must fill out a separate application form for each scholarship but may use the same letters of recommendation.

A one-page essay “How my involvement in my community has impacted my life,” should include any special circumstances that would make the scholarship beneficial for you.

GFWC/Iowa scholarship awards are based on volunteerism, achievement, and financial need, in that order. All information is confidential.

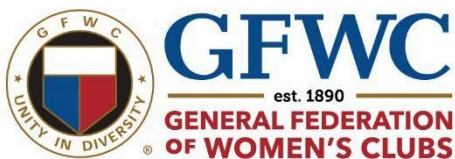

Please remember that a late or incomplete application will be rejected. **CHECK ALL MATERIAL CAREFULLY. February 1, 2025, is the Email DEADLINE. *Students will receive judging results via email after March 15th.***
