

# Twogether in Texas Completion Form

This form certifies that the couple in question has completed the Twogether in Texas curriculum. Once couples have taken the curriculum and received a certificate of completion, they will get, when they present the certificate at the licensing agency, \$60.00 off the cost of their license. Upon receiving this completed form, Ray will generate the certificate for the couple.

For a premarital education course to qualify as a Twogether in Texas course, it must satisfy the requirements of the Texas Family Code Section 2.013.

- These requirements are:
  - Courses offered are at least eight hours in length, and
  - Include instruction in conflict management, communication skills, and key components of a successful marriage.
- In addition:
  - Curricula must provide a skills-based and research-based course of study.
  - Course should be offered by instructors trained in a skills-based and research-based marriage preparation curriculum.
