Subject line: How to quit your job for good

Were you ever that mad at your boss...

That you were thinking "I must find a way to quit my job for good"

But then you got to one of 2 conclusions

Either you need to get lucky

Or that it's IMPOSSIBLE

But it turns out

You don't need any luck

And it's actually VERY easy

To be able to pursue your passions while not worrying about the costs AT ALL.
