Student Account Set Up Instructions

(For New and Returning Students)

*You will need your Student ID number. New students can refer to their paper schedules for this number or parents can look on parent Infinite campus Portal for the virtual schedule "report" or call us, we are happy to assist.

All Students have temporary passwords set up on their accounts. You will be forced to reset your passwords. The pattern for your temporary password is:

- first initial + last initial +birthdate (mmddyy format)
- Example: Student Annie Smith whose birthday is October 3, 2007 will have their password reset to as1000307

Step 2. Log onto the Microsoft portal (myaccount.microsoft.com).

- Username for Microsoft is s+id@s.cusd80.com – example is s123456@s.cusd80.com
- See above for password. Once logged on, change your password and exit.

3. Log into Infinite Campus student portal **(Do not use the app to create your new IC password)** Use this link: https://chandleraz.infinitecampus.org/campus/portal/chandler.jsp

- Click on Campus Student
- Username is S+id
- Password is the NEW PASSWORD you created for your Microsoft account.

*You can now use the Infinite Campus app using your newly created password.
