

How to log in to bound

Go to Gobound.com

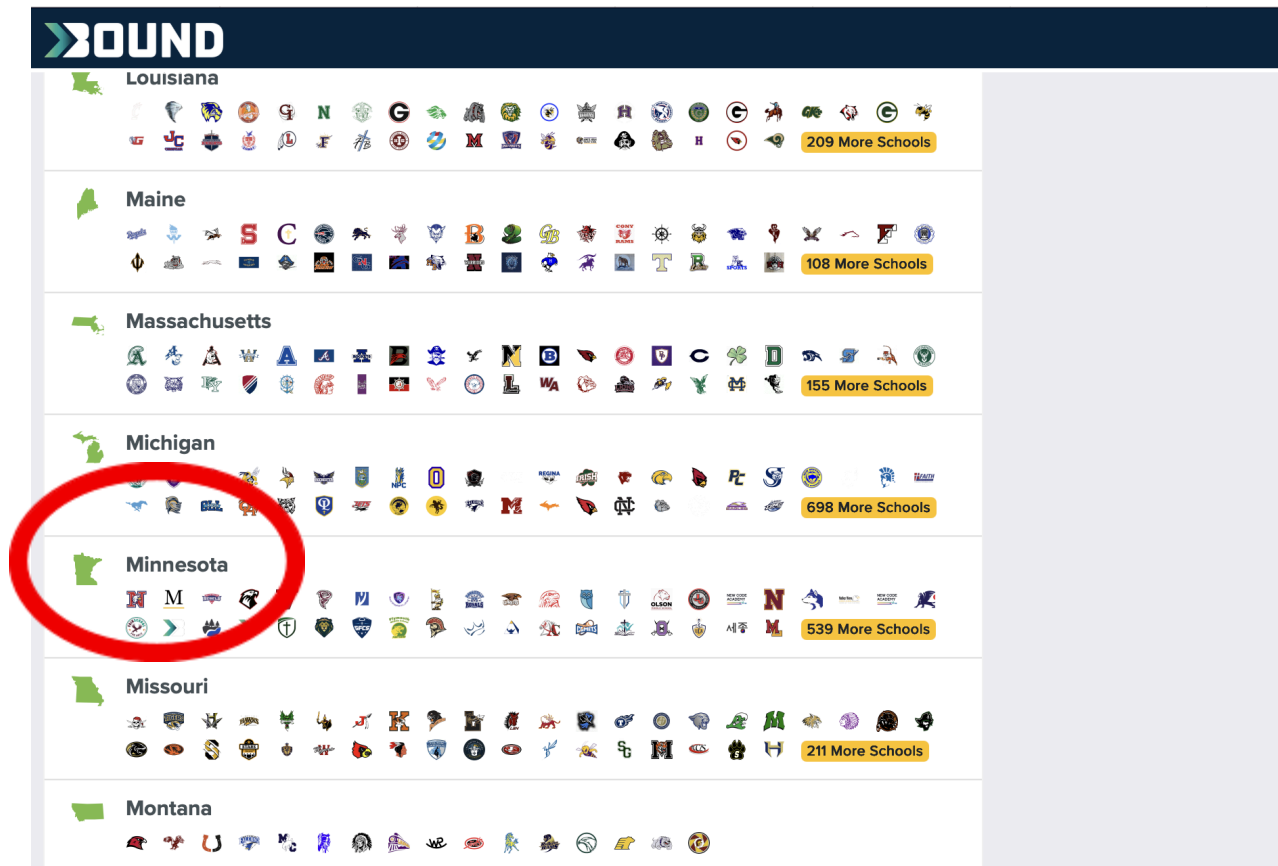

Choose create account from the upper right corner

Once you create an account, you should return to

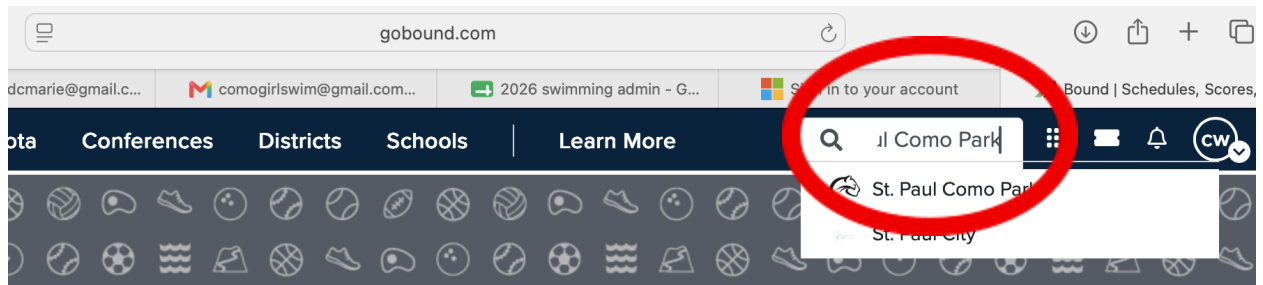

Gobound.com and log in

Choose Minnesota from the list of states in the left column of the screen

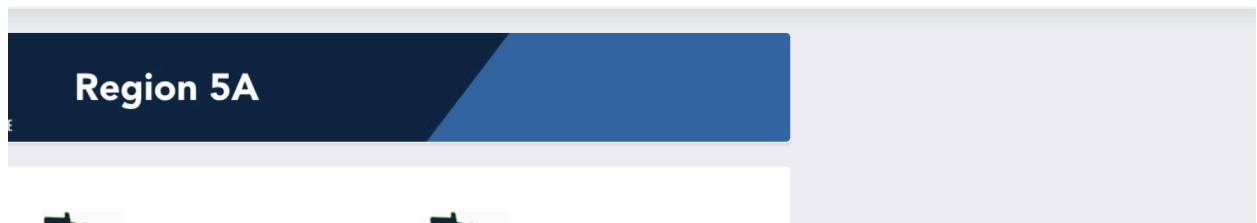

You should now be looking at a screen that has a “Minnesota” header

In the upper right hand corner, use the search by school function to search for “st paul como park”

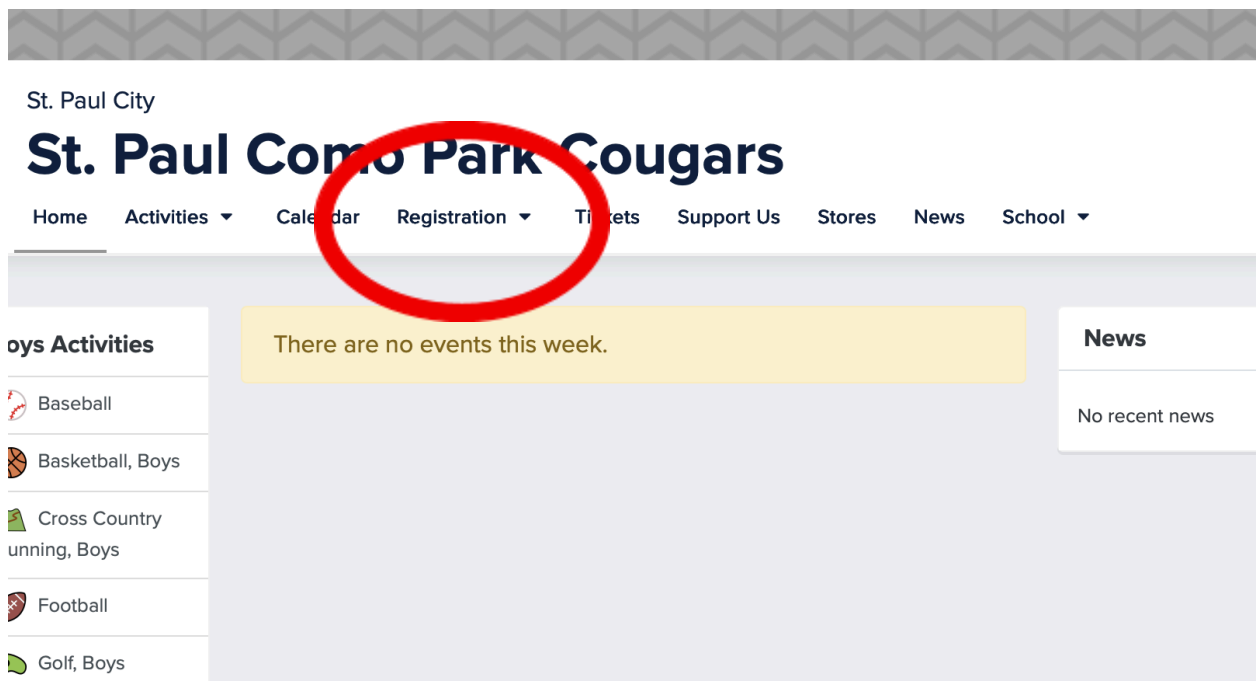

nesota

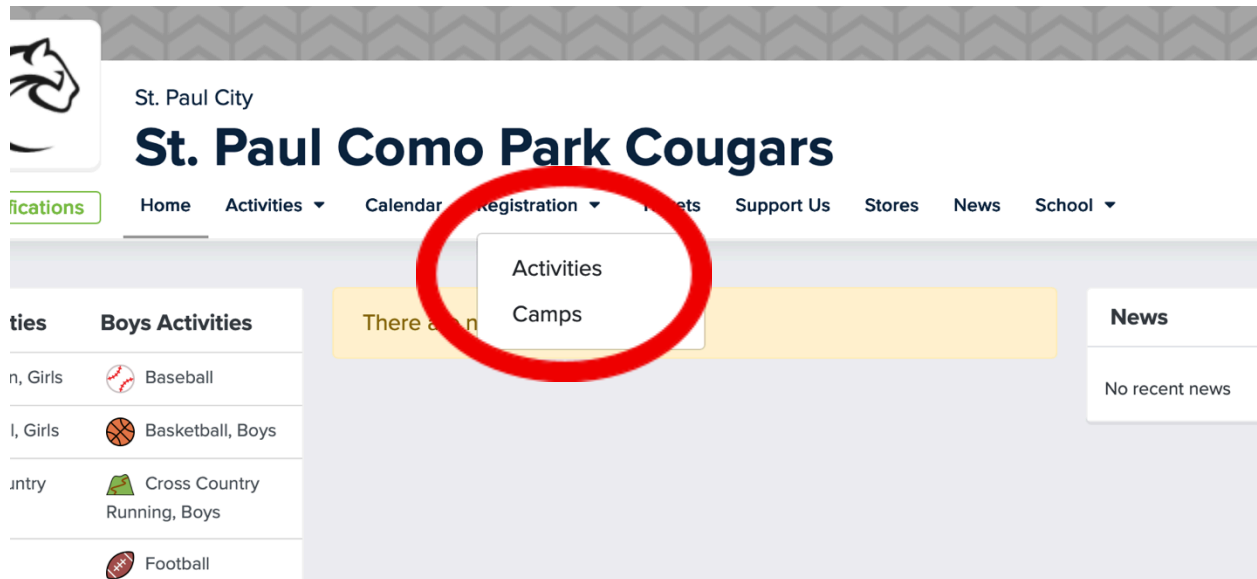

This will bring up the st paul como park menu

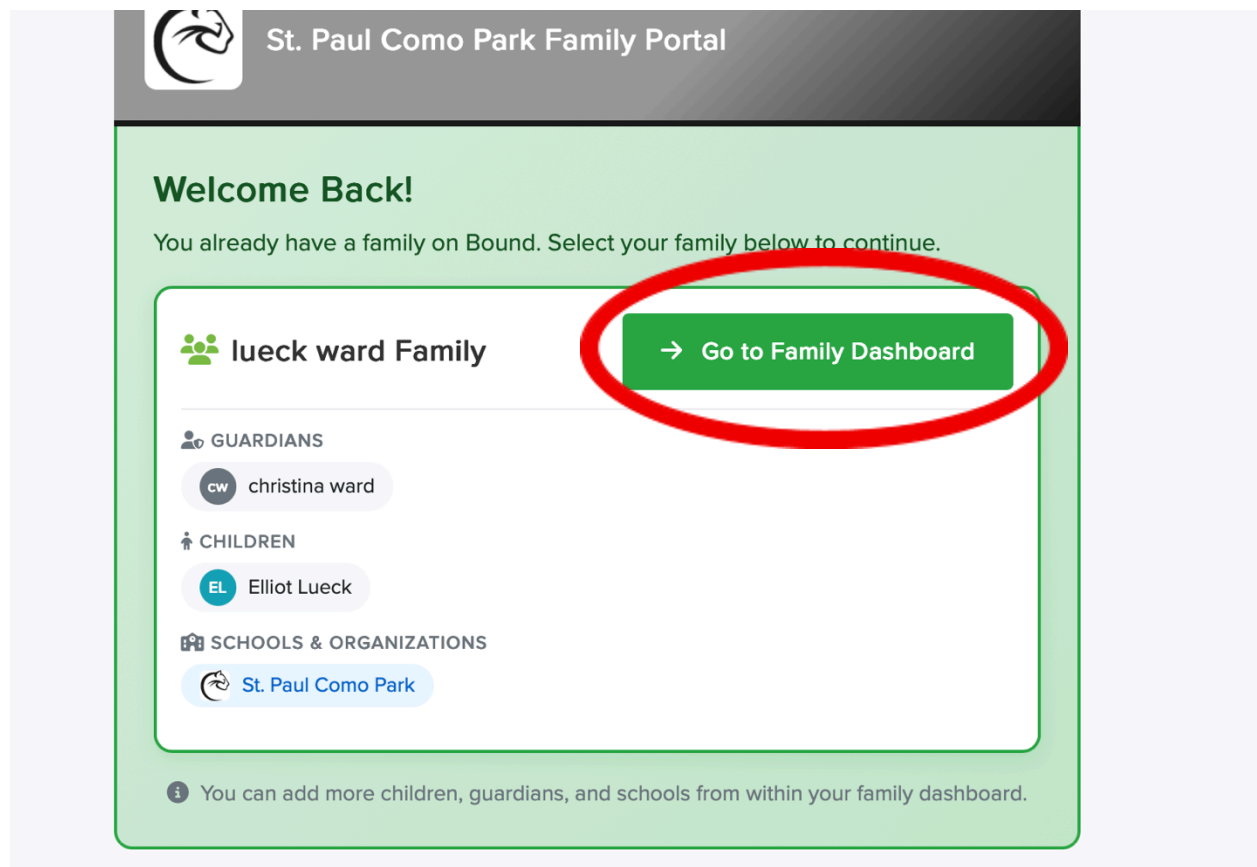

Choose registration from the menu in the center of the page

Choose activities from this menu

It may prompt you to enter your log in information again. Choose “family dashboard” once you are logged in.

Then you can choose your child and register for an activity

The screenshot displays the 'lueck ward Family Dashboard'. At the top, there is a 'Quick Actions' bar with buttons for 'Register', 'Add Child', and 'Add Guardian'. Below this, the 'Children' section lists a child named 'Elliot Lueck', 14 years old, who is 'Not Invited'. Under the child's name, there is a circular profile picture placeholder with 'EL' and a '+' icon. Below the profile picture, the text 'Class of 2030' is visible. A green button labeled 'Register for Activity' is prominently displayed and circled in red. At the bottom of the child's card, there is a 'Send Invite' button and a note 'No email on file'.
