

[AVALON TEACHING FARM, L3C](http://www.avalonteachingfarml3c.org) VSTEMF SUPPORT

One of the most successful programs as a VT Recognized Independent School, was our [VSTEMF](#) participation. Avalon Triumvirate Academy students won Vermont recognition, cash prizes, and even college scholarships!

We are offering support to students of all ages to design, investigate, and prepare for VSTEMF, as well as coaching day of the VSTEMF.

We offer regular scheduled classes, and emergency consultations!

Regular class sessions

Introduction - 1 to 2 hour initial session for students and support person (parent, etc.)

- What is VSTEMF all about? What are the rules, regulations, and parameters?
- What is a VSTEMF research project? How do I do one, what kinds of things make good projects? What do I need for the presentation?

Project Selection - 1 hour

- Nail down the perfect project for you and begin to organize!

Project Completion - number of sessions depends on your student's needs

- Ongoing support during research and experimentation. We offer space to set up your experiment, equipment to borrow, and cheerleading!

Build Presentations

- Support creating presentations. Bring suggested materials to this session!

Special sessions

Practice and event

- Critique during practice of presentations and practice fair. \$5.00 entry fee per presentation entered.
- Coaching at VSTEMF - \$100 fee split between all students coached.
