

## Outdoor Scavenger Scurry

For this activity, you will have the chance to work together with others, get some exercise, and develop important character building traits such as: **sportsmanship, collaboration, encouragement, communication and accountability.**

Divide your family into 2 teams or find another family to compete against! Establish team member duties. You will need a **captain** and other **players**! You will need tennis shoes, one camera per team, and one list per group. Use your driveway as a starting & finishing line. Be the first group to find and collect pictures of the items on the list below. Oh, and your group must stay together!! "ON YOUR MARK, GET SET....GO!!!"
