To whom it may concern:

Please consider this letter as an employment reference for Alyssa Kuruliak who was a student teacher in my Grade 1 classroom at Copperfield School for five weeks in 2021.

Alyssa Kuruliak served as a student teacher in a regular classroom setting with 22 students, 4 of which were on an IPP, and 2 who were ELL. Alyssa's duties as per her contract included creating her own lesson plans and facilitating 50% of instructional time. Alyssa created her lesson plans with detail and care to meet the requirements of the program of studies, and was eager to take on more instructional time to increase her experience.

In the time Alyssa was involved at Copperfield school, she demonstrated a strong work ethic, enthusiasm, and a willingness to learn from various mentors. Alyssa was a team player, reliable, and deeply cared about the students needs and their experience while in the learning environment. Alyssa was a valued part of our classroom.

Please feel free to contact me should you require any further information.

Sincerely,

Claire Bradshaw

Grade 1 Teacher, Copperfield School
