

**TO: ESD Board of Education**  
**FROM: Dan Snowberger, Superintendent**  
**SUBJECT: Education reEnvisioned BOCES Membership**  
**DATE: January 13, 2026**

## **PURPOSE AND BACKGROUND**

Over the past month, Superintendent Dan Snowberger has met with Education reEnvisioned BOCES Executive Director to discuss membership in Education reEnvisioned. Education reEnvisioned BOCES provides expanded opportunities and support for districts that seek innovative opportunities in education services. I am proposing that Elizabeth SD would join Education reEnvisioned BOCES as a member and could seek services and support for further education innovation.

Education reEnvisioned BOCES charges no membership fees. The superintendent is asking the board to approve authorization to become a member of Education ReEnvisioned BOCES, created as a network of districts investigating innovative practices. As a member, Elizabeth SD could designate a representative to serve on the Education ReEnvisioned BOCES board to stay informed of partnership opportunities. I am particularly interested in working with the BOCES to establish an online educational option for families in Elizabeth. The BOCES is the largest authorizer of multi-district online schools.

Education reEnvisioned BOCES' mission and vision are as follows:

### **MISSION**

The Education reEnvisioned BOCES will develop and deliver services to BOCES, districts, and authorized schools to expand availability and access to quality, innovative public education programs that Colorado parents and students seek.

### **VISION**

We believe that better education methods and formats continue to emerge, and so resolve that the Education reEnvisioned BOCES will be a welcoming host to innovative, exceptional programs and schools and a wellspring of better education models, encouraging proliferation through partnerships with other districts and BOCES.

### **FISCAL IMPACT**

None

### **REQUESTED MOTION**

I move that the board approve joining Education reEnvisioned BOCES with the

superintendent or the superintendent's designee appointed to serve as the district's representative, subject to the BOCES board approval of membership.
