

Good evening, Lake Forest High School! Happy Sunday. Please continue for our weekly announcements.

Homecoming festivities begin tomorrow. The theme for each day of Spirit Week is included with this message. The parade will begin Friday at 6PM, in Harrington; kick-off for the game is at 11:30AM on Saturday, followed by the dance at 7PM in the atrium. Tickets for the dance are \$15 and are on sale during lunches.

In addition to Spirit Week, we have underclassmen pictures scheduled for Monday and Tuesday. Pictures are scheduled alphabetically, with half of each grade being photographed each day. See the information included with this message for more information. A reminder to seniors, there is one final make-up session for Senior Portraits on October 19<sup>th</sup>. Visit [prestigeportraits.com](http://prestigeportraits.com) to schedule.

Interim grades will be available in HAC tomorrow, Monday, October 10. Please take this opportunity to review your child's academic progress. The end of the first marking period is November 2, with report cards being available on November 10. Final grades are determined by averaging marking period one and marking period two grades. Every assignment and assessment counts!

Finally, Friday, October 14, is a professional development day. School is closed to students.

That is all we have for you this evening. Thank you and have a good night!
