To PBL High School Students & Parents/Guardians:

I am sure that most of you are aware that the forecast for the next few days is full of weather events that could lead to the decision to close school. I want to stress that forecasts have been wrong before, so I do not know if we will have school or not, however, I also want to make sure that everybody knows our plan if school is closed. If the decision is made to close school, our plan is to use e-learning days until we return. The details of an elearning day are as follows:

- Each teacher will post a review assignment to their Google Classroom by 8:00 a.m.
- Students are expected to complete each review assignment to the best of their ability.
- Teachers will have e-mail office hours from 8:00-1:00 so that they can be reached if a student has any questions or needs assistance.

Hopefully this provides some clarification for what is expected if we close school. As always, if there are any questions, please feel free to contact me via e-mail or phone.
