

In pursuit of educational excellence, engaged citizenship, and life-long learning, we pledge to strive for an academically rigorous environment that challenges students to develop positive character qualities as a foundation for personal and intellectual growth:

1. **Respect:** I promise to respect myself and all members of the PACT community (teachers, support staff, administration, parents, students, and visitors). I will treat others as I wish to be treated. I will respect the school property and help keep it clean and intact.
2. **Citizenship:** I will respect and comply with all of the rules and policies of PACT Charter School. Being a good citizen means having rights and responsibilities to meet the mission, vision, and foundational statements of PACT.
3. **Gratitude:** I will show appreciation for my opportunities at PACT Charter School and those who assist me in my education.
4. **Compassion:** I will show feelings and concern for the troubles and sufferings of those who are less fortunate. I will have a strong desire to help alleviate the distress of those who are sick, hungry, homeless or stricken by misfortune.
5. **Integrity:** I will be honest and reliable. I will arrive at school on time and prepare to learn. I will do my best in regard to behavior and academic standards. I will abide by PACT Charter School's policies and accept the consequences for violations.
6. **Cooperation:** I will act for the common good or mutual benefit of others. I will be helpful by doing what I am asked to do to benefit myself and PACT Charter School.
7. **Self-Control:** I will set a good example by controlling my actions and words. I will set goals for myself and strive to achieve them with self-discipline. I will do everything in my power to graduate from high school. I will prepare for the future I will have after high school.
8. **Responsibility:** I will pay attention in class. I will be organized and always do my best work. I will do my homework consistently. I will follow the PACT Charter School dress code. I will seek help and extra tutoring from my teachers when needed.
9. **Perseverance:** I will give the effort required to do something and keep doing it until the end, even if it is difficult. I will continue to try even if I fail the first time.

I understand negative actions outlined in the PACT Family Handbook could result in suspension or expulsion from school. Following the PACT Pledge will help me succeed at school and in the future. I have read the above statements and agree to follow the PACT Pledge to the best of my ability.
