

Where You're From in the Cosmos

Tori, you originally come from the Pleiadies and have had many incarnations here on Earth.

Your Life Purpose

You came here to open doorways to healing through vibration and connection.

Key Themes of this Incarnation

1. Understanding the nature of betrayal
2. Healing ancestral patterns around scarcity
3. Careers centered around food

Guides

You have three guides.

1. Your primary guide is Lonzo.
 - a. He accentuates your sense of taste. You're a super taster.
 - b. He helps with your draw to Romanian culture and cuisine.

A message or advice from this guide:

How to connect or work with this guide:

2. Your second guide is Anna. She's worked with you across several lifetimes.
 - a. She helps you love yourself.
 - b. She made sure you found authors you loved as a child.
 - c. She helped with clean healing when your arm was broken.

A message or advice from this guide:

How to connect or work with this guide:

3. Your third guide is Gabriella.
 - a. She watches over your dreams and you can work specifically with her to develop a skill of remembering and manipulating your dreams.
 - b. She helps you make friends.

A message or advice from this guide:

How to connect or work with this guide:

Primary Power Animal: Bear (she provides protection)

Secondary Power Animal: Snake (she provides wisdom and guidance)

Protector Animal: Stag

Your patron deities are:

1. Isis
2. Odin
3. Amateratsu

Your Questions

In this section, I answer questions you specifically asked me to research.

Special Message for You

We are watching over you and protecting you. It's true that you weren't supposed to survive that accident, but you changed your mind and wanted to stay and we support you. Be open to viewing your career more flexibly and broadly; food isn't only restaurants.
