SCA-TV2 UNDERWRITING

BIZCARD "Business Card" Video

Sierra Community
Access Television

Thank you for showing your support for Sierra Community Access Television by agreeing to be an SCA-TV2 Underwriter. In return for your financial or donation in-kind support, you will be recognized on SCA-TV2 broadcasts with a "business card slide".

1. A business card slide will show on Sierra Community Access Television Channel 2 up to 3 times a day.
2. Information on the slide will be restricted to the guidelines for public access television stations. For example, there will be no calls to action, no prices or discount offers.
3. To begin the design process and prepare the slide for showing on channel 2 a payment of \$100 will be remitted by the client by check or cash. Said payment will entitle the client to have the slideshow run on Channel 2 for a period of three months.
4. A payment of \$350 will entitle the client to 12 months of showing of their business card slide on Channel 2. (Remit a \$350 check for a full year contract.)
5. Client will provide information to appear on the slide or submit a complete slide design. The client will review the final design with SCATV2 producers. Upon approval of the design the slide will begin to show on Comcast Channel 2 in the Western Slope of El Dorado County.
6. A box on the contract may be checked by the client requesting automatic renewal of the contract at the end of the contract period. Renewal will be effective once payment is received.
