Sept. 29-Oct. 3

**This is a special week for students to learn about RESPECT  
and have fun at the same time.**

**Monday- 9/29:** "A Day of Respect" is dedicated to fostering environments where every student feels valued and understood. Through engaging activities and discussions, today is a day to highlight how mutual respect strengthens relationships and builds a more connected and supportive community. This special day aims to prevent harm by empowering students to champion kindness and empathy, ensuring everyone thrives in a safe and supportive environment. **Be a champion! Wear your favorite sports team jersey to celebrate diverse opinions and ideas.**

**Tuesday- 9/30:** "Understanding Bullying Day" aims to shed light on the impact of bullying and equip students with the tools to prevent it. This fosters a stronger, more supportive school community by promoting empathy and teaching everyone to stand up against unkind behavior. This day is crucial for preventing harm and ensuring every school remains a safe and supportive place where all students feel valued.

**Being an Up-Stander is no sweat, wear your favorite sweats and hoodie.**

**Wednesday- 10/1:** "Understanding Respect and Self-Expression Day" empowers students to celebrate their unique identities while recognizing the importance of respecting others. Today, explore how healthy self-expression strengthens school communities and encourages a sense of belonging for everyone. This day emphasizes that by understanding and valuing different perspectives, we actively prevent harm and build an inclusive environment where all voices are heard and respected.

**Tie-Dye Day. Express yourself. Be who you are and show your true colors!**

**Thursday- 10/2:** "Words Count Day" is dedicated to showing students how their words have immense power. Through activities and discussions, students and educators can explore how thoughtful and kind language builds a stronger, more supportive school community. This day emphasizes that by choosing our words carefully, we can prevent harm, foster understanding, and create a positive environment where everyone feels safe and respected. **Wear your best KINDNESS Shirt today!**

**Friday- 10/3:** Friday is the day to build community and show solidarity. The goal is to encourage schools, communities, and organizations to work together to prevent harm by increasing awareness of the prevalence and impact that discrimination and bullying have on children of all ages.

Be a visible champion for **RESPECT** and **KINDNESS**!

On Friday, October 3, 2025, we're calling on all CCSD students and staff to **wear BLUE clothing and accessories**. By simply wearing blue, you'll be making a powerful statement of solidarity, showing everyone that **RESPECT** and **KINDNESS** are not just words, but actions we live by every day.

Let's make a difference, one **BLUE** shirt at a time!
