

Huline TF Items

Rocky Jones

Takiyaki

Brief Desc: Fried Huline food on a stick.

Longer Desc: Huline can be picky eaters. So to be able to swallow their transformatives, they blend it into their food. This is a prime example: four balls of meat wrapped in dough and lightly fried, sprinkled with a sauce and a mix of spices to give it an enchanting smell

Transformative: +2 Huline traits

Onimugiri

Brief Desc: A Huline staple

Longer Desc: Huline can be picky eaters. So to be able to swallow their transformatives, they blend it into their food. This is a prime example: a ball of sticky grain wrapped in dried salted seaweed. You can't even smell any of the added substances.

Transformative: +1 Huline traits

Restorative: + 30hp

Tsukiyaki

Brief Desc: A Huline dessert

Longer Desc: Sometimes Huline don't want food laced with body altering substances. Then they kick back with a thick pancake with a sweet bean paste filling.

Restorative: + 35hp, +1 thickness

Ainisoba

Brief Desc: Huline hot lunch

Longer Desc: What started off as a means to make a savory dish from leftovers and scraps became one of the most popular foods of the Huline diet. A box of long noodles stir fried in with mixed meats and vegetables in a salty sauce makes for a filling meal on the go. Careful, still hot.

Restorative: + 50hp
