

Summary - Alice in Wonderland (pages 12-17)

Alice uses a magic fan and gets smaller.

She falls into a pool of her own tears and swims with a mouse.

Alice hears the White Rabbit.

He thinks Alice is his maid and sends her to his house.

Alice drinks from a small bottle and gets very tall.

The White Rabbit throws pebbles at her.

The pebbles turn into cakes.

Alice eats a cake and gets smaller again.

Alice goes into a wood and meets a caterpillar on a mushroom.

The caterpillar helps Alice.

One side of the mushroom makes her grow.

The other side makes her shrink.

Alice eats the mushroom.

She gets very tall, then goes back to her normal size.

Alice wants to find the beautiful garden.
