Mission Statement: The mission of the Tillamook School District is to prepare our students with the academic, artistic and social skills necessary to become positive contributors to a changing world.

Vision Statement: Building futures, every student, every day

- *Offering guidance on how policies may affect students differently, ensuring that all students have access to the resources and support they need to thrive.*
- *Sharing ideas to improve school climate so every student feels welcome, supported, and respected.*
- *Providing insight into decisions, especially regarding how they may impact groups who have historically faced barriers in education.*
