

UBC SPIN Lab Undergraduate Application Form

Please fill electronically and send completed application as an attachment to spin-info@cs.ubc.ca. While completing this application, feel free to reach out to your proposed grad project mentor for advice or feedback.

Name:	Application Date:
-------	-------------------

Degree, including department or specialization as relevant:	Year in program (e.g. 4 th year):

Student Number:	CWL:

CS or UBC Email:	Personal Email (e.g. gmail):
UBC Student Number	
Proposed Start Date:	

Type of Position of Interest: (check all that apply)

- ☐ Volunteer – *Ideal place to start; for other options, preference to those who have previously volunteered.*
- ☐ Project-based courses (e.g., CPSC 448/COGS 402)
- ☐ Undergrad research fellowships (e.g., USRA/SURE/WLIUR)

1. PERSONAL OBJECTIVES

Please briefly describe what you would like to get out of this undergrad experience.

--

2. PROJECT PREFERENCES

Please list your top preferences from currently posted SPIN projects, identifying the listed grad mentor as well (Refer to [SPIN UG Projects Spreadsheet](#))

Project Name	Grad Mentor
1.	
2.	
3.	

3. FIT BASED On BACKGROUND AND OBJECTIVES

For the projects listed above, please describe (a) your skill sets and prior experience; (b) how they would enable you to participate meaningfully, and (c) how they fit your personal objectives for this research experience.

4. TIME COMMITMENT AND ANTICIPATED AVAILABILITY

One term at several hours/week is a minimum period of involvement. You are highly encouraged to attend weekly SPIN meetings (timing available on the SPIN website).

Please describe your availability:
Hours/week

Term (e.g., “Sept-Dec 2024”)

Notable constraints (known absences or significant limitations on flexibility during normal working hours):
