

-COMMISSIONS BY MESAAK-

Hi everyone! I have commissions open, so here's the lowdown!

YOU MAY NOT UNDER ANY CIRCUMSTANCES MINT YOUR COMMISSION AS AN NFT, OR CRYPTOCURRENCY TOKEN.

ADDITIONALLY: NOTHING CAN BE USED FOR THE TRAINING OF AI/LEARNING PROGRAMS.

TOS:

-Contact me at **MESAAK@GMAIL.COM** with the title “**Commission Inquiry!**” or, via my twitter account with a DM and continue reading below for steps on how to order! Images will take up to 3 weeks to complete. Your order will begin after I have received payment, and after all orders ahead of yours have been completed.

-PAYMENT IS UPFRONT and will be managed via Paypal invoice. Refunds will only be made before work has officially started on the commission.

-INCLUDED in the price of your commission are 3 free detail revisions for your artwork. Please inform me of any concerns or special requests at the beginning. EXTRA REVISIONS WILL COST MORE, so let's figure it out early.

-Additionally, if you are ordering a gift that is to remain a surprise until a specific time, or it is part of something you are not yet ready to release, please specify this in your order!

-After completion of the commission, I retain the right to post and upload the images to social media for self-promotion purposes. I will never claim to own the character.

By commissioning me you are agreeing you will not re-sell or edit the commission unless we discussed otherwise (which may include additional fees). Printing for personal use or editing for social media icons is allowed

PROCESS:

After starting on your image, I will be providing thumbnails to figure out an initial pose and comp for your image, unless you had a pose or reference in mind. Once we have decided, I will make a sketch for you as a proof of concept, and keep you updated as I progress through the picture.

Once we have mutually agreed the picture is completed, I will send you the final image and PSD. Depending on the time of completion, I will post it to social media either on the same day or the next.

WHAT I WILL AND WON'T DRAW:

WILL DRAW:

- Fanart or original properties
- Anthro/Robotic characters
- Multi-character pics
- Concept art or character designs
- Adult/18+ art*

WON'T DRAW:

- Extreme gore
- Disturbing NSFW
- Racist or bigoted artwork. I reserve the right to refuse a commission based on my personal opinions. If I find what you're requesting to be especially disagreeable I reserve the right to block you if necessary.

*While I will do NSFW art, I require proof that you are above the age of 18 years old. I will inform you of what I'm comfortable drawing and painting should you message me for an adult commission.
