

IN THE NATIONAL CONGRESS OF KRAMERIA

On February 13, 2026
Preston, Representative for Latomé introduced
A

BILL

TO

In order to comply with part of Article 14 of the Québie Accords that states “The Legislature shall pass a bill selecting a new flag for the Republic of Krameria”.

BE IT ENACTED by the National Congress in the House of Representatives of the Republic of Krameria, with the assent of the President as follows.

SECTION I. SHORT TITLE

A. This bill may be cited as “Flag Act of 2026”.

SECTION II. DESIGN OF THE FLAG

- A. The flag shall consist of a dark navy field.
- B. Centered upon the Field shall be a gold torch bearing a 5 pointed star in the middle of its handle.
- C. Surrounding the torch shall be a circular white ring, open at the lower portion to allow the end of the handle out and also open at the top to allow the flames to go out.
- D. The proportions of the Flag shall be two units in height by three units in width (2:3 ratio), unless otherwise prescribed by regulation.

SECTION III. CUSTODY & REGULATION

- A. The Department of the Interior shall maintain the official specifications of the Flag, including but not limited to color standards and construction details
- B. The Flag shall be flown at all government buildings, military installations, and official ceremonies as prescribed by Executive Orders, Directives, and laws.
