	The Teal Elephant takes your wedding bouquet (and boutonnieres) and turn it into art you can keep forever. We can dry your flowers in their 3D form and place them in a shadow box or press them into a frame. Color correction will be used to prevent florals from turning brown or becoming discolored over time. Do you have other special mementos from your wedding? We can add those into the preserved pieces as well! We are located in Colorado Springs and can set up delivery or pick up of your bouquet. If you live out of state, don't worry, we can ship the completed product to you anywhere in the US. I recommend setting up this service in advance, however, even if you decide the day after your wedding you can't let those flowers go, please reach out. Click here for more info!
