

My name is Jake Winemiller and I am the high school counselor for students with the last names FL-Ja.

I grew up in York County and graduated right here at Dallastown Area High School! After high school I earned a Bachelor of Science degree in Psychology from The Pennsylvania State University and eventually earned my Master of Science in Counselor Education at McDaniel College. In between, I spent 12 years as the director of business development for a web hosting and server security company based out of the Lehigh Valley. I spent the last 8 years as a counselor at Dallastown Area Middle School before transitioning to the high school late this summer.

Outside of school, I try to spend as much time as possible with my family and friends. My wife is a 6th grade math teacher at Dallastown Area Intermediate school and I have two active sons, who are currently in 8th and 6th grade and love playing sports. Our favorite things to do are visit the beach, watch football (Go Birds!), hike, swim, take Rex the Dog for a walk, and have family game or movie nights.

I absolutely love working as a School Counselor and I will do anything I can to support your son or daughter this year. If you need anything at all, please do not hesitate to reach out.
