

## Parent/Carer information leaflet

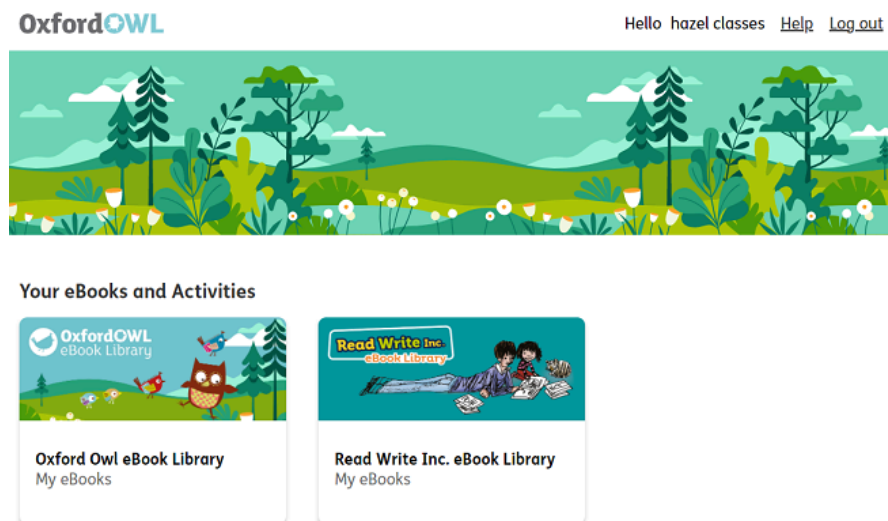

The Oxford Owl eBook Library contains a wide selection of books from across Oxford's most popular series. The books are carefully levelled and progress in reading difficulty from those appropriate for Reception right through to those suitable for Year 6. The exact number of books and range of levels your child has access to will depend on the subscription that their school has bought.

Below the header, the 'Login' section is prominent, with a prompt 'Please select your user type.' and three tabs: 'Students' (highlighted in pink), 'Teachers', and 'Parents'. An owl icon is in the top right of this section. The 'Students' tab shows a login form with fields for 'School code' (containing 'uif9' and a 'Remove' link), 'Class or student username' (containing 'micky.shah'), and 'Password' (masked with dots). A pink 'Login' button is at the bottom right of the form. Below the form are links for 'Help' and 'Forgotten my login'. The page is divided into two main columns. The left column, 'Oxford Owl for School', has a teal background and lists 'Teaching resources and expert school improvement support' with bullet points: 'Award-winning subscriptions and leadership support', 'Free teaching resources and eBooks', and 'Free Professional Development videos'. It has 'Log in' and 'Join us' buttons. The right column, 'Oxford Owl for Home', has a yellow background and lists 'Free resources to support learning at home' with bullet points: 'Advice and support for parents', 'Educational activities and games', and 'Free eBook library for 3- to 11-year-olds'. ### How do I know which book my child should read?

Your child's teacher will tell them which Oxford Level (or Book Band) they are working on. Your child can then read any of the books at that level.

Alternatively, your child's teacher may specify an exact title.

### How do I find the right book or level?

To find the right level, click on the Levels filter at the top of the library, choose Oxford Levels or Book Bands as appropriate. Choose your level and then the books will be filtered so that you only see books at that level.

To find the right title, type it into the Search box.
