Fasten off. Leave a long tail to sew arms to body.

### **Hair (pink)**

I have worked chains from 15 to 40 stitches and than worked 3 hdc or 3 dc in one chain.

Then I insert hook where I wanted the curl, pull the tail through and tie a square knot with both ends. Insert ends in the head.

### **Hair band and bow (black)**

Chain about 20 stitches. It supposed to be long as the pink part of the head is from side to side. Work 5 rows.

Chain 24. Slip stitch to first chain and work 4 rounds. Do not fasten off. Bring the seam of bow on the back, in the middle, then chain 6 and slip stitch it in the first chain. Sew the bow onto the band. Then sew the band onto the head to cover the beginning of the hair.

Sew the buttons on.

It's finally finished! Congratulation!
