

16 April 2022

Dear Bernard Osher Foundation,

I am delighted to be a recipient of the Osher Initiative for California Community College Students Scholarship! I wish to show my gratitude through this letter, and I thank you for your support and opportunity to continue my education.

It is wonderful to notice your foundation doing spectacular acts of kindness for California community college students, and due to your support, I am able to take the next step in my journey of becoming a Radiologist Doctor.

It will be an honor to be able to thank you once again, in person at the Award Ceremony. I am currently in the process of obtaining my Biology Associate's Degree, then will foresee myself at the University of California, Santa Cruz. With that being said, I am exceedingly grateful for this scholarship and to be a part of such a huge image. Investing in students' futures reflects the drive that you have for them to succeed and continue their journey.

Yours Sincerely,
Makaila Hilburn
