

Please consider making a strong commitment to invest in the Page Panther's Lacrosse Program. When our youth participate in athletics, they learn how to connect with other students on and off the field. They improve their time management skills-learning how to balance academics, practices and family obligations. They learn good sportsmanship-how to win and lose with grace. Lastly, it helps them develop resiliency. These boys learn that success does not happen overnight, but with practice and perseverance. Amazing things happen when support is given to athletics!

The Page Panthers Lacrosse Program is a fast growing lacrosse club that is located at Page Middle School. Your generous support will help with many planned field renovation projects along with equipment needs which will ensure that every student athlete has an optimum experience playing lacrosse for the Page Panthers!

Banner Level \$300: includes a 4' x 6' banner located on the fence of our home field (the Page High School Stadium) along with your advertisement on the Page Panthers website.

*****ALL DONATIONS ARE TAX DEDUCTIBLE - We are a 501(c)(3) non profit organization*****
