

Autumn Snack Mix

What you need:

2 T butter

3 c Corn Chex

1/2 t salt

3 c cheese popcorn (I think regular old butter popcorn would be good too)

1 package of M&Ms (14 oz) Make sure to get the fun Halloween of Fall colored ones!!

2 packages of Corn Nuts(4 oz each)

1 package of Cracker Jack (6oz)

The recipe also calls for a package of candy corn (18 oz) and a cup of raisins. I am not a big fan of candy corn, but I could see how it would add a nice element to the mix. And I do like raisins...but I am just not feeling them in this yummy bowl of buttery yum! But to each his own!

What you do:

In a large skillet, melt butter; add Corn Chex and toss to coat. Cook on medium heat (continuously stirring) until cereal is lightly browned (about 5 minutes) Sprinkle with salt and set aside to cool.

In a large bowl, combine remaining ingredients. Add Corn Chex and toss!

Easy peasy! Even easier if you have a fabulous sister-in-law that does it for you and all you have to do is sit on the couch and eat half the bowl!
