

Every Child Is Ours

"Every Child is Ours" (ECIO) is a non-profit organization with the goal of providing children in need with food and supplies. We believe that no child should be left hungry.

As the cost of groceries continues to increase, family food insecurity is a growing problem in our community. ECIO assists families by delivering food bags of healthy food to the schools to assist with weekend meals.

If you feel your family would benefit from this program, please contact your school coordinator from the list below. The coordinator will distribute bags to the students whose families have requested this service before the end of the day on Fridays.
