

Littlestown FBLA's

Wishing Well

Help Us Raise Money for the Make-A-Wish Foundation

Overview

FBLA stands for Future Business Leaders of America. Our Littlestown chapter is devoted to our students and our community. This year, our state project is the Make-A-Wish Foundation. 100% of medical providers said the wish experience improves a child's emotional well being. 91% of wish parents believe that the wish experience gave their child a better chance of surviving their critical illness. Childhood cancer has impacted our community significantly. A wish unites neighbors, friends and entire communities in life-changing experiences. We want to educate our local community on the purpose of the Make A Wish Foundation. Littlestown is focused on "planning tomorrow's community today."

Donation

Please donate any amount that you can towards the Make-A-Wish Foundation. Cash and checks are accepted. Checks should be made out to "LHS FBLA." If you are a student, your donation and star can be dropped off in the office of the Littlestown building you attend, or otherwise mailed to Littlestown High School. Donations and stars are due no later than April 30th. If you would like your star to be seen at the FBLA State Competition, turn it in before April 15th. Additional flyers can be found in the Littlestown Library.

Mural

If you would like to color this star and write a message, please include your shooting star with your donation. All shooting stars will be hung above our Wishing Well in the Littlestown Library.
