Visiovera 2024

Event Report

Event Overview

Event Name: Visiovera 2024

Date: 14-09-24

Venue: Department of Electronics and Communication Engineering, St. Peters Engineering College.

Organized by: Department Activities Committee [DAC]

Introduction

The Department of Electronics and Communication Engineering at [Your College Name] successfully organized Visiovera 2024, a series of engaging and intellectually stimulating events designed to showcase and enhance the technical and soft skills of our students.

Poster:

The poster for Visiovera 2024 is a vibrant blue and white design with circuit-like patterns. At the top, it features the logos of St. Peter's Engineering College (with the tagline 'Giving Wings to Thoughts' and 'ESTD : 2007'), UGC Autonomous, NAAC 'A' Grade, NBA, and IETE. The central text reads 'DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING IN ASSOCIATION WITH IETE STUDENT FORUM'. Below this, the event title 'VISIOVERA' is prominently displayed with the tagline 'Crafting the Future, Inspired by Viswesvaraya'. The poster lists several events: 'ELECTRO MANIA-2024' with 'Exciting PRIZES for the Winners', 'MYSTERY MINDS 2024' with a question mark icon, 'LOGIC LEAGUE 2K24' with a 'FREE ENTRY' badge, 'BRAINWAVE BATTLES' with a brain icon, and 'INTERVIEW FUNDA 1.0' with an interview icon. At the bottom, it says 'MARK YOUR CALENDERS 14TH SEPTEMBER'. The footer lists the organizing committee: SECRETARY (Shi T.V.Reddy), DIRECTORS (Mrs. T. Karoja Reddy, Mr. T. Anuraag Reddy), PRINCIPAL (Dr. K. Shree Latha), HEAD OF THE DEPARTMENT (Dr. K. Prasanna Kumar), FACULTY CO-ORDINATOR (Ms. M. Hamsalekha), and STUDENT CO-ORDINATOR (Ch. Mohan Sai). It also includes the INFINITRON logo and social media handles @infinitrons_dac and ece@stpetershyd.com.

Event Details

1. Mystery Minds

Participation: 136 students

Format: Team event

Description: Mystery Minds challenged participants with a series of puzzles designed to test their problem-solving abilities and technical knowledge. The event included:

- Technical crosswords
- A unique puzzle-piece earning system
- Collaborative problem-solving challenges

Outcome: This event fostered teamwork and critical thinking skills among participants, encouraging them to apply their technical knowledge in creative ways.

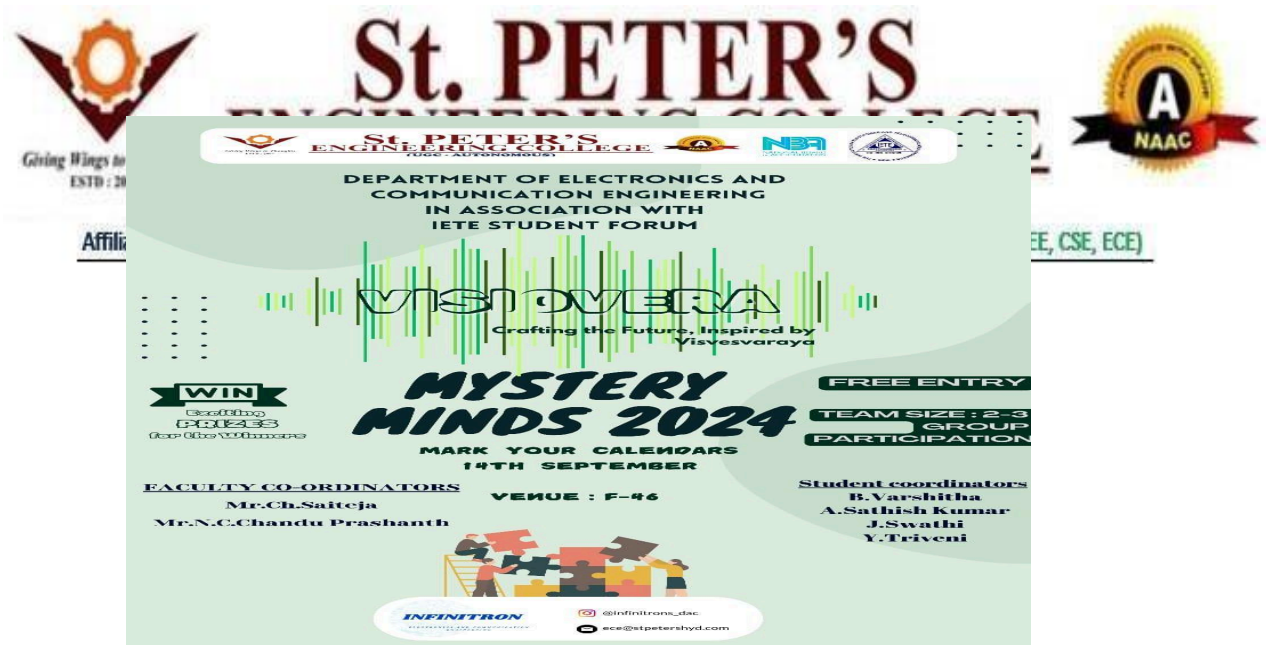

Judges : Mr.Ch.Sai teja

Mr.N.C.Chandhu Prashanth, Assistant professors form ECE department

Winners: R.Pavan ,G.Divakar

Runnerups: S.Durga sree, Snehitha Reddy, S.Mounika

2. Logic League

Participation: 100 students

Format: Team event

Description: Logic League focused on testing and enhancing students' understanding of Digital Electronics through:

- Two rounds of logic challenges
- Expertise-based problem-solving

Outcome: Participants demonstrated improved comprehension of digital logic concepts and their real-world applications.

Judges :Ms.S.Swetha

Mrs.N.Rajeshwari

Winners: B.Ashwini Reddy ,G.Rudra teja, R.Pavan

Runnerups: T.Karthik Reddy, R.Sai manish,Ch.Shiva Shankar

3. Interview Funda 1.0

Participation: 41 students

Format: Individual event

Description: This event was designed to prepare students for professional interviews and included:

- Just a Minute sessions to improve impromptu speaking skills
- Group discussions to enhance communication and leadership abilities
- Aptitude tests to sharpen analytical thinking

Outcome: Students gained valuable experience in interview techniques and professional communication, better preparing them for future career opportunities.

Judges: Mr.B.Sravan Kumar -

Ms.G.Anjana Harshitha, assistant Professors from ECE Department

St. PETER'S ENGINEERING COLLEGE

Winner :B.Shruthi
Runner-Up : B. Sathwika

Brainwave Battles

St. PETER'S ENGINEERING COLLEGE

UGC - AUTONOMOUS

Participation: 87 students

Format: Individual

Affiliated to **JNTUH**, Approved by **AICTE**, Accredited by **NAAC** with "A" Grade, **NBA** Programme Accredited (**EEE, CSE, ECE**)

Description: Brainwave Battles challenged participants' creativity and quick thinking through:

- Emoji riddles to test interpretative skills
- Real-world problem-solving challenges
- Time-bound creative thinking exercises

Outcome: This event encouraged innovative thinking and the ability to approach problems from multiple perspectives, essential skills for future engineers.

Judges : Mr.S.Naveen

Mr.K.Srinivas

Winners: B.Devi prasad

Runnerup: Raju

5. Electro Mania

St. PETER'S ENGINEERING COLLEGE

Participation: 66 students

Format: Group event

UGC - AUTONOMOUS

Affiliated to **JNTUH**, Approved by **AICTE**, Accredited by **NAAC** with "A" Grade, **NBA** Programme Accredited (**EEE, CSE, ECE**)

Description: Electro Mania tested participants' practical knowledge of electronic circuits through three rounds:

- Resistor color coding identification
- Circuit connections challenges
- Component and circuit identification tasks

Outcome: Students demonstrated improved practical skills and a deeper understanding of electronic components and circuit design.

Judges: Dr.B. Kanaka Durga

Mrs.K.A Manjusha

Winners : P.Sowmya ,J. Nandini ,M.Navya

Runnerup: J.Alekhya, K.Madhavi, B.Ganesh

Conclusion

Giving Wings to Thoughts
ESTD : 2007

Visiovera 2024 successfully achieved its objectives of enhancing student skills, fostering creativity, and promoting technical excellence. The event series (EEE, CSE, ECE)

1. Encouraged collaborative learning and peer interaction
2. Provided a platform for students to showcase their talents
3. Enhanced practical application of theoretical knowledge
4. Prepared students for professional challenges through soft skill development

The Department of Electronics and Communication Engineering is committed to organizing such events regularly to ensure the holistic development of our students, aligning with the institution's goal of producing industry-ready, innovative engineers.
