

Boat/trailer storage, Shore storage and boat slip requests

JHLA will be accepting requests for summer trailer and/or winter boat/trailer storage, Shore storage and boat slip requests starting on **March 12, 2026, FIRST COME, FIRST SERVED BASIS**. There are a limited number of spots in both storage and dock slips so even if you had them last year, a new request is required each year.

The 2026 boat slip fees have been increased \$25 across the board to ensure that the funds received exceed the costs of dock installation and removal. As a reminder, storage and boat slips are for the benefit of our membership and the boats and trailers must be the property of our residents. We may ask for proof of ownership before accepting the requests. Please review pages 5-6 of the 2025 Directory for more guidance concerning boat slips on the dock and storage in the beach lot.
