📋 Tasks Achieved? 📋

- Edited a bit from clip 6

🏠 Twilight's Review 🏠

- My stomach hurt AF in the morning and got tired
 - Eat more in the afternoon to not be hungry in the morning and eat a lot which makes you tired
 - Don't eat anything with a lot of fat in the morning
- Not proud of today. Very unstructured and some bad stinky vibe that was around me (from one family member coming here for the last 2 days, *grateful but bad energy*).
- Messed up in:

- Wasted 1h of Gling AI subscription cause didn't think through it and straight up deleted the old uploaded clip
 - Think before acting, observe the chest board
- Almost lost my phone/cards cause relied on my parents to store them
 - You can't rely on anybody to be competent, only fully rely on yourself, and double-check everything else
- Some work was unstructured
 - Every GWS should follow the steps to get in a flow, and ANY work should be a GWS

Time Distributed? You have 10 working hours

- Sleep -> 7,5h (9h in bed)
- G Work -> 3 GWS(6 h)

Tasks uncompleted

- Edit video 6

New Standard

-

How will I improve and progress tomorrow?

- I'll stop the course creation (again) for 2-4 days to make a testimonial campaign that should SUPER increase CR, so tomorrow
 - Create a guide on how to prepare your resume, how to apply for jobs, and where (there was one G that had that find him model him and use GPT, and ask Mom about more info)
 - Create a 40-question quiz for interview questions with GPT + 24/7 WhatsApp access to me for ANY additional guidance
- OODA Lop
- Go to bed at 7:30pm

? Who You Are Now vs Who You Want to Be ?

- Now:
 - Broke, little to no money in the bank, can't buy shit, can't help my family financially, looking flabby and weak, my parents think I'm

wasting my time. I'm barely breaking even with my ads.

- Who You Want to Be:
 - Earning \$143,000 per month from my own business, driving my Surron Light Bee X I bought for \$6k, living in China, and flying to Dubai most days, with my true brothers on the side. Having moved my families nationality away from Bulgaria so that no war stops the bloodline Vasilevs or hurts my family. Driving a Porch GT3 RS on the long desert highway in Dubai with a hot bitch on the other seat and 3 more cars racing behind me. Making my parents happy and proud from the son they have, changing their beliefs about what's possible, and about how the world works.

Your Reason *Why*

- I need to succeed because I have a mission and a commitment to VASILEVS to conquer the world and become the most famous and wealthy person on the planet. The sole reason I'm breathing right now and VASILEVS blesses me with another day, is because I'm on this mission, from the moment I was sent on this planet to this second, I'm on this mission, I first experienced the pain of mediocrity to understand how the world works, and I'm now on the second phase, which is delivering this mission to the end.
