

Privacy Policy – Glow Doodle

Effective Date: August 9, 2025

Developer: Mars Studio

Glow Doodle is a creative drawing app designed for children aged 3 to 5. This Privacy Policy explains how we handle information when you use the app, in compliance with the Google Play Families Policy.

1. Information We Collect

We do not collect any personal information such as name, email address, phone number, or location.

2. Advertising and Third-Party Services

Glow Doodle displays **only non-personalized, contextual ads** through Google AdMob.

- Ads are compliant with the **Google Play Families Ads Program**.
- No personalized ads are shown, and no data is collected for behavioral advertising or profiling.
- AdMob may receive basic, non-identifiable information (such as device type, language setting) necessary to display safe and appropriate ads.

Third-Party Service Used:

- Google AdMob (Families Ads Program–compliant) – for showing contextual advertisements only.
-

3. Children's Privacy

Glow Doodle is built for young children. We fully comply with the **Children's Online Privacy Protection Act (COPPA)** and the **Google Play Families Policy**.

- We do not knowingly collect personal data from children.
 - All ads are safe, age-appropriate, and non-personalized.
-

4. Permissions Used

- **Storage Access** – to save drawings locally on your device.
This permission is used only within the app. No files or data are uploaded to any server.
-

5. Data Storage and Sharing

All artwork created in the app remains stored locally on the device.

- We do not store, share, or upload any drawings or user data.
 - We do not operate any external servers for this app.
-

6. No Account Required

The app does not require users to create an account or log in.

7. Changes to This Policy

If we make changes to this Privacy Policy, we will update the effective date and provide the revised policy in the same location.
