#### **Athletic Clearance**

No athlete will be allowed to participate in any sport tryout, practice, or event until they have completed the Athletic Clearance process and received an email confirmation. Acquiring a **CLEARED** status requires completing the online portion & attending a preparticipation physical evaluation (PPE) performed by a qualified healthcare provider (MD, DO, NP, PA).

Parents of new Caiman athletes will create an account and upload the necessary forms. Parents of returning Caiman athletes will renew/update their previous account and upload a new PPE/medical eligibility form or transfer last year's form if valid (within 365 days). Each student requires their own account & is responsible for keeping an updated profile. The physical you upload must be dated to last through the entire season you are participating in.

Note: A printed copy of your <u>Preparticipation Physical Evaluation (PPE)</u> needs to be taken to your doctor's appointment. Once completed & signed you will upload the Medical Eligibility Form (last page) to your Home Campus account. All athletic clearance paperwork should be uploaded digitally to Home Campus - we have gone 100% digital!

Click HERE to get started! Here are instructions to assist: PDF or VIDEO.

Athletic Clearances expire at the end of every school year. Medical Eligibility expires 365 days from your previous physical (PPE) and it's your responsibility to upload/update the necessary form to maintain eligibility. If you need any help with this process please email our Athletic Trainer, Jessie Manzuk, at jmanzuk@classicalacademy.com.

If you are planning to participate in a Winter sport you need your athletic clearance application submitted with a physical uploaded by Wednesday, November 5th, 2025. Please get this completed as soon as you can! Earlier is better!
