Privacy Policy for Double-Tap to Like for Twitter/X

Effective Date: February 13, 2025

Double-Tap to Like for Twitter/X ("we," "our," or "us") respect your privacy. This Privacy Policy explains how we handle user data when you use our Chrome extension.

1. Information We Collect
Our extension does not collect, store, or share any personal data. However, it may access browser data locally for functionality purposes.

2. How We Use Your Information
We only process data locally on your device to enhance your user experience. No data is transmitted to external servers or third parties.

3. Third-Party Services
Our extension does not integrate with third-party analytics or tracking services.

4. Data Security
Since we do not collect personal data, there is no risk of data breaches or leaks.

5. Contact Us
If you have any questions, reach out at nitishbhardwajdu@gmail.com
