

Hey all, it's me halfrepshalfretail back again with a wrap-up of 2019, the last year of our recent decade. I hope all of you have a successful and fulfilling decade ahead!

I've decided to make a absolute monster of a list, as a way to end off the decade and start off good on the new one :)

There are 100+ links, both from Taobao and Weidian.

Is this the biggest list in r/FashionReps history? Definitely not. I've seen some glorious lists back in 2018 and 2017, thanks for being the cornerstones of my purchases back then :)

Some of these items i have purchased, so i will include my comments on all the items i have.

Without further ado, the list is seperated into 7 categories, in order:

1. **Tees**
2. **Long-Sleeve Tees**
3. **Hoodies**
4. **Crewnecks**
5. **Jackets (Parkas, Puffers, Bombers, Vests)**
6. **Bottoms (Jeans, Cargos, Joggers)**
7. **Shoes**

Thank you all for making this an amazing year

 love you guys

My Superbuy/WeGoBuy Affiliate code is: 665Sko

[Canada Goose Down Vest](#) - 269 Yuan

QC: <https://imgur.com/a/gh3zQue>

Decent for the price. Real down (i can tell because down is leaking out a tiny bit, which is normal for down jackets in the first few months).Badge is almost perfect except for the stupid stitching in the wrong place, it doesn't matter tho because the badge is like 10cm. Sizing is a little weird, it's short but width is good! Copped an S, width fits like a S or a M but length fits like an XS. Size one up. Interior is not good, missing interior

pockets, also missing cotton/fleece lining on the neck area for warmth. One of the inside pockets has a small rip after 3 months.
