

Using App Tracker for Admissions Data

Obtain four years of admissions data, updated daily and showing year-to-date comparisons. Drill into the data by college, program, degree, term, gender, race, ethnicity, and country of origin. Includes application, offer and acceptance numbers and trends.

App Tracker is located on the Graduate Admissions Faculty and Staff Toolkit

Filter by type of data:

Only applications processed by the Graduate Admissions office are included.

- ☒Applications Received

☐Offers of Admission

☐Offers* (no defer from prev year)

☐Acceptances

Display 3-year period (current window), or look at last year's report (previous window) to obtain up to four years of data:

A processing cycle includes applications for consecutive summer, fall, and spring term admission. The three-year window rolls forward one year in October. Current window displays the most recent 3-year cycle.
