

SUNDAY, June 25, 2023 9:30-noon

Bioswale Work session sign up

Volunteers - We do have some tools, but it helps to bring your own favorite tools such as **shovels**, rakes, clippers or sturdy trowels.
Remember to bring small snack, **water**, hats, gloves, long pants and protective footwear.

		17	17	17
		18	18	18
		19	19	19
		20	20	20

The Bioswale - The grassy buffer between the boathouse and the river that protects the Anacostia river by filtering and diverting runoff from the land. Our work in the bioswale maintains its native species such as bald cypress, Red Twig Dogwood, Rose Mallow, switchgrass, blueflag iris, and Sweet Bay Magnolia.
