Why Choose a Licensed Cannabis Retailer?

Licensed cannabis retailers obtain products through authorized provincial supply channels and follow Alberta's requirements for age verification, order handling, product storage, and delivery.

Customers purchasing from licensed retailers receive regulated products with standardized packaging, cannabinoid information, and required warnings. This provides greater transparency than purchasing through unregulated sources.

How Weed Delivery Works

How Do I Order Cannabis Online?

Customers begin by visiting Bud Bar Cannabis Crowfoot and browsing the available online menu.

Available categories may include cannabis flower, pre-rolls, infused pre-rolls, edibles, concentrates, vape products, CBD products, cannabis beverages, and accessories. Customers can compare product information, package sizes, **THC levels**, CBD content, and pricing before adding products to the shopping cart.

Once products have been selected, customers enter a Calgary delivery address to determine eligibility before completing secure checkout.

How Does Cannabis Delivery Work?

The ordering process generally follows these steps:

1. Browse the online cannabis menu.
2. Select preferred cannabis products.
3. Add products to the shopping cart.
4. Complete secure online checkout.
5. Licensed staff prepare the order.
6. Verify legal age using government-issued photo identification.
7. Delivery is completed where available in accordance with Alberta regulations.

How Is Age Verified During Delivery?

Government-issued photo identification may be requested when the order arrives.

The recipient must meet Alberta's legal purchasing age and satisfy the retailer's identification requirements before cannabis can be transferred.

What Happens After I Place an Order?

Following checkout, customers generally receive an order confirmation.

Store staff verify inventory, prepare the selected cannabis products, and assign the order to the appropriate delivery schedule. Customers may receive updates regarding order status depending on the ordering platform.

If inventory changes after checkout, customer support may contact the customer regarding available options before finalizing the order.
