	Learning Target <i>(All Teachers)</i>	Instructional Plan <i>(Core Teacher)</i>	Differentiation <i>(ELA/Math Inclusion Teacher)</i>	Teacher Tips & Notes <i>(All Teachers)</i>
M O N	Big Gym: Motor: TSWBAT correctly dribble the object with correct form in the gym, by the end of class and/or use this skill in a game.(Standard 1). Cognitive: TSWBAT describe by word of mouth, the critical elements/cues of the skill in the gym, by the end of class. (Standard 2). Affective: TSWBAT explain why Physical activity is so important to mental/physical health. (Standard 2).	Opening Strategy: - Students will perform a few stretches/workouts as a group. such as; arm circles, jumping jax, toe touches. - Classroom: Warm up: Question: “What were a couple of things we learned last time you were here?” Core Lesson Activities: Bradshaw: Students will start on their health assignment summary outlined in Google classroom. while other students make-up pacer tests. Moore: health lessons/ make up testing for push up and sit up tests. Summarizing Activity: - Big Gym: - Describe what were my learning cues of the motion today? - synthesize why physical activity is so important to mental and physical health by word of mouth. - Weight room/small gym: - How can we use this outside of school in the world? - Apply past concepts; why is safety so important and what are some examples of using safety here?	SWD Differentiation Strategy: - Students will have a visual and a verbal cue with the powerpoint and teacher demonstrations. Inclusion Teacher Role: - Teacher will further assist students with read alouds or extra support if needed.	

	Small Gym: motor: TSWBAT Identify and participate in enjoyable activities that promote social interaction or self-expression by the end of class in the gym. (Standard 5). affective: TSWBAT explain how they can use this outside of school, by word of mouth, in the gym, by the end of class. (standard 2).	<u>Bradshaw- big gym</u> - Review soccer rules (dribbling, passing, trapping, shooting) - Game play, rotate teams after 8-10 minutes		
T U E	Big Gym: Motor: TSWBAT correctly dribble the object with correct form in the gym, by the end of class and/or use this skill in a game. (Standard 1).
