About the “Drumming Essentials Training” Bonus Module

Early Bird students receive a head start with our Bonus Module, *"Drumming Essentials Training,"* beginning June 14.

This special 9-video training covers the essential foundations for success in the Academy, including basic notation lessons and other helpful guidance. We highly recommend completing it before you watch the first training videos (sent on June 21).

Please note:

Students who enroll *after June 14* will automatically receive access to the Drumming Essentials Bonus Module upon registration in their FDA course portal!
