Email Subject: Release Approval for MicroProfile <Spec> <Version>

Email Message:

We have staged MicroProfile <spec> <version> final release with this release plan (add link to the release plan) and created this issue (add link to the Release Review Issue) listing the various release artifacts. Can you please approve this release?

--

Thanks

<your name> on behalf of MicroProfile <spec>

Spec Release Email Example:

We have staged MicroProfile Config 2.0 final release with [this release plan](#) and created [this issue](#) to link to various release artifacts. Please can you approve this release?

Thanks

Emily on behalf of MicroProfile Config Spec
