As a reminder, the freshman Game Plan was sent out so we can learn more about your interests and current goals. Do not worry about or overthink your answers; this is just a baseline to begin to understand how we can help you over the next four years. It was sent to you via your student school email. Internship Opportunity with Assemblyman Peterson

Assemblyman Erik Peterson's office is recruiting undergraduate and graduate interns and high school volunteers for immediate start and the spring 2027 semester. Assemblyman Erik Peterson represents the Twenty-Third Legislative District of New Jersey, which encompasses parts of Somerset, Warren, and Hunterdon counties. He has served in the legislature since 2009 and was previously a Hunterdon County Freeholder. Assemblyman Peterson sits on the Commerce and Economic Development (ACE) and Health (AHE) Committees.

Interns and volunteers will have the opportunity to engage directly with the legislative process and play an active role in supporting the district's constituent services operation. Interns will work closely with staff to research casework inquiries, draft responses, and track ongoing constituent concerns to ensure they receive timely and effective assistance. This hands-on experience provides students with a deep understanding of how legislative offices serve the public and address real-world challenges faced by New Jersey residents. Interns and volunteers will also have the opportunity to attend committee hearings, draft memos, and contribute to policy discussions related to economic development and healthcare.

The internship and volunteer opportunities are designed to be flexible and can accommodate academic schedules, with in-person, hybrid, and remote work options available depending on office needs. That said, preference will be given to applicants who can commute to our district office located at 389 Pittstown Road in Pittstown, New Jersey.

Prospective applicants can apply to the Spring 2027 internship or volunteer opportunity by emailing their resume and cover letter to Asmpeterson@njleg.org.
