

Designing Courses for Learner Engagement

This workshop highlights the best practices in Canvas for creating student-centered courses that engage learners through variety in course layout, different course elements, and in how learners interact with the content and with each other. This workshop will include the Course Evaluation Checklist to guide instructors, course designers, and other users in creating course content, and will demonstrate numerous methods to deeply engage learners.

Session Topic	Topic Descriptions
What and Why (5 Minutes)	• Introductions • Agenda Review • Session <i>What & Why</i>
Course Evaluation Checklist Overview (10 Minutes)	• Accessing the Course Evaluation and Mobile App Checklists • Foundational and Essential • Best Practices • Exemplary Content
Course Design (40 Minutes)	• Course Information & Expectations • Course Structure • Course Content • Learner Interaction • Assessments • External Resources • Course Accessibility • Instructor Supports
Mobile App Considerations (20 Minutes)	Canvas in Your Pocket • Course Preview • Student Considerations
