Communication Guidelines

1. Please always work on the google doc. We will have a real-time scenario about your work that we gave you, and we will have the right info about deliveries.
2. Please always be in communication on Telegram. Communication is the key.
3. Please always adhere to the delivery date and time. So, please always ask for the delivery date and time and only accept the project if you can adhere to it.
4. Please don't communicate outside your telegram group as you will be working with two editors, and there will be a mix-up in the communication.
5. If you have any problem with Editors, type of work, or payments, you can contact me @shyamshankat directly on telegram.
