Dear TCIS Community,

- ★ Staying Active Healthy bodies and healthy brains go hand-in-hand. Last week students practiced being active as part of a healthy lifestyle by participating in intramurals and after school sports. Nice job!
- **★ Teaching and Learning** Our students work hard each day and we are so fortunate to watch them progress. To share their progress, report cards will be mailed home March 27.

★ Kindness Month Our students continue to demonstrate kindness through their words and actions. We are so grateful for the joy they bring us!

Let's make it a great week! Dr. Betsy
