

# Nairo Ban Evidence

## Nairo Flirting

- **Tweek:** “Zack and Nairo had started flirting at this event specifically. When Zack went to go to Nairo’s room the night they did sexual things, I specifically told Zack not to go and he did and did not come back that night. Nairo also knew that I knew and when he visited me in Ohio, he begged me not to tell anyone.” (<https://twitter.com/TweekSsb/status/1278612148390957056>)

- **ZeRo:** "Sometime in 2016 I noticed Nairo and Captain Zack hanging out at events, but from what I saw, it was what you would expect from people at events, like them playing together, coaching each other and things like that. I asked Nairo about it privately, and he just said "He has potential man, I'm just trying to help him out in Smash" as an excuse. Looking back, it feels shitty to think about this memory. Since I'm this extremely stupid socially awkward gullible person, I said alright, and stopped looking into it, because surely that was all there was to it if he said that to me... ugh. I'll regret that day for the rest of my life. I'm so sorry Captain Zack."

- **Salem:** "Now moving forward after that, I assumed Zack and Nairo dating was okay for reasons I just mentioned. They even had pictures together and were often together, even cuddling at times. So I had no idea of anything. Though because of how things were oddly quiet about their relationship I DID later ask Zack if they were dating and I was told from him that "He doesn't know." as well he made it sound like Nairo wasn't sure of a relationship or that he was more interested in a girl. I mainly was interested in their relationship because it had the type of "celebrities are dating" type of vibe. Only later did I learn that the situation was something else entirely as Zack again later told me he made the story up. (I believed him foolishly even though I literally saw him laying down on Nairo's lap. I must've not thought about it very much) As well I learned a lot more about Zack. Which I will get to in a bit." - **Samsora:** "Pereden left to go to the bathroom and Nairo brought up how Ally and Zack was completely different from him and Zack. He also told me to never tell Pereden of what happened between Zack and him because it would only hurt her."

- **The Prime Saga Cover Story:** “Nairo proceeded to then ask for my help and make sure the information about him and Zack never escaped. He wanted my help to talk to Tamim and Zack about the situation and make sure they think that the situation was different from Ally & Zack. Zack was always on board with what Nairo was saying to cover the events up and I just felt confused on what was happening.”
